Dear Mrs. Parlow;

Thanks for the Press notices
of Lenzhalist and Katholken;
I find the Leipzig criticism
the most brilliant I never
read! After this, You have
to go back absolutely! Leipzig
is, after Berlin, the most important
musical centre; each son, played
there, will be heard at the whole
world! With Dresden joining
it would be very easy.

The repertoire to prepare
for Petersburg:

Concertos

Beethoven, Mendelssohn,

Bruch No 2, (D. minor)
(at Simrock - Berlin)

Crust, F sharp minor. -

Perhaps, 8th (Gesangs scene)
Spohn

Other Pieces:

Folie d'Espagne - Corelli
(Edition Ferd. David) at
Breitkopf & Härtel - Leipzig.

Suite (small) Lindup
(Peters - Leipzig)

Vier Stücke, Jos. Suk
(Berlin - Simrock)

Chaconne ! Bach

Fantasie - Carmen -

Sarasate

That will do, I suppose, for
~~a few~~ weeks?

Nothken could not be more
impetuous to come to
Russia as I am to Ries
her for all the joy and
satisfaction she gives me,
to her musical father. -

And send a good and
happy, 'New Year!' not
worse as the last!

I hope this letter will
find you at Berlin yet.

Yours sincerely

L. Cauer

I refused my tournee at
Switzerland as I have to
make six Concerts here at Russia
in 10 days.
